WHAT WILL YOUR STUDENT BE LEARNING?

CAMP THEME

We all want to belong. Whether it be in a family, a relationship, or a community, belonging to these groups gives us an identity and a sense of purpose. However, because of sin, many people are missing out on the most purpose-driven relationship of all. Those without a relationship with God lack an understanding of what it means to truly belong, to feel loved, and to have a proper perspective of the world around them. But through the life of His Son, Jesus, and through faith in Him, we receive access to a relationship with God, as well as the abundant life that comes along with it. God has given us a way to be in community with Him. At Student Life Camp 2019, students will learn that by faith and through the completed work of Jesus on the cross, God grants them access to His family.

DAILY BIBLE STUDY FOCUSES

Day 1: Access Granted

God offers us access to a relationship with Him through the completed work of Jesus on the cross. By faith, we become members of His family.

Day 2: Filtered Focus

Membership in God's family changes us and gives us a differing perspective on the world and the people in it. It's impossible to be in the family and to remain the same. We can experience each day with a focus on the hope that is found in Christ.

Day 3: When We Fall

Access doesn't mean we now live a life of perfection. Even though we stumble and fall, in His mercy, God draws us back to Him. He is a gracious God who wants a personal, deep, and full relationship with each of us.

Day 4: A Greater Calling

Now that we have access to this community, we must share that news with others. No matter who are you are or what you do, obedience to this calling is for all members of God's family.
