TAKE HEART

JOHN 16:33

TWENTY
TWENTY

No one wants to be afraid, to feel anxious or nervous. We believe the lies and fears that the enemy seeks to instill in our lives. We walk into our schools, turn on the news, or talk to our friends and leave feeling unsteady. But fear does not have to be the defining characteristic of our lives. The voice of the enemy does not have to overpower the voice of our Victor, Jesus. Jesus has erased the need for all fear and blocks out the sometimes overwhelming voice of the enemy. At Student Life Camp 2020, students will learn that while the opponent is great, our God is greater. He was and is a God of kept promises, who has good plans for us. He is our stronghold in the midst of weakness, taking our hands in the face of uncertainty, and pushing us toward courage, pushing us to take heart.

FAQS

Do we need to be a specific denomination to attend your events?

No. Student Life is an inter-denominational, evangelical ministry serving the local church.

What are Student Life Camps like?

Student Life events are Christ-centered camps for 7th–12th graders. It's a week of focused learning, praise, dramas, and community building; and most importantly, God's Word takes center stage with sound biblical teaching and small group Bible study.

Why do you do Student Life Camps the way you do?

We designed Student Life events to support the men and women who lead students every week. Camp is just one week of the spiritual journey. We strive to partner with the local church by strengthening the relationships built there.

What are the goals of Student Life Camps?

In Scripture, every time someone spent time with Jesus, he or she went away changed. Our goal is that each person leaves camp changed. Not because of technical effects, entertaining dramas, or even meeting new people, but because we have spent time in Bible study and Christian community focused on Jesus.

What is a Life Group?

Typically, a Life Group is 9–12 students under an adult leader and a student leader from your church. A Life Group's purpose is to learn about God through Bible study, times of prayer, and community building. Students are grouped according to your preference. Before camp, you tell us how you want your students placed in Life Groups with your leaders.

Why don't you hire staff to teach the Bible studies?

It goes back to our philosophy of supporting the local church and believing that successful small groups are actually small. This allows for good discussion and students to feel comfortable. We also believe it is important for adults from the local church to be involved in what happens. After all, they go home with the students, and this allows friendships, accountability, and connection to continue on the bus and at home.

What is the adult-to-student ratio?

We request one adult for every seven students at Rec and Mission Camp. Beach Camp and Student Life in the Smokies need one adult for every five students because every condo option requires at least one adult per condo.

FAQS (CONTINUED)

What will adult leaders do at camp?

Most will be asked to lead Bible study as Life Group Leaders. Student Life provides Bible study materials 5-6 weeks before camp to allow adequate preparation time. There is a Life Group Leadership Meeting each morning for Life Group leaders and student leaders to pray and focus on the theme for each day.

What will student pastors do at camp?

Camp is designed to free student pastors to spend time building relationships with their students and volunteers. Each day, there will be a prayer and share time for student pastors. This meeting takes place while the students participate in other activities, so we recommend that student pastors NOT serve as Life Group leaders. We believe this is an extremely important aspect of Student Life Camp.

Can half of my group do Mission and the other half do Rec?

Sure! If you feel your group needs two different experiences, we'll work with you.

Do I need to have my own transportation during the week?

Not at Rec Camp. Mission Camp requires groups to have transportation to and from their sites. Beach Camp and Student Life in the Smokies transportation needs will vary depending on the lodging you choose.
